

## Artistul contemporan Bogdan Rață, într-un proiect din Bienala de la Veneția

Sculptorul român Bogdan Rață este prezent cu lucrarea de mari dimensiuni „Trying to keep life” în proiectul curatorial „Personal Structures”, eveniment din cadrul Bienalei de Artă Contemporană de la Veneția, a 55-a ediție (1 iunie-24 noiembrie).

Artistul a fost propus de operatorul cultural de artă contemporană românească „Năsui colecție&galerie” pentru participarea în cadrul proiectului și selectat apoi de către un grup de curatori internaționali dintr-o listă de 320 de artiști din toată lumea.

### CONTEMPORARY ARTIST BOGDAN RAȚĂ TAKES PART IN THE VENICE BIENNALE

Romanian sculptor Bogdan Rață is taking part in the curatorial project “Personal Structures” with his large scale work “Trying to keep life”. The event is included in the 55th edition of the Biennale of Contemporary Art in Venice (running from June 1st to November 24th). The Romanian artist was proposed by the Romanian contemporary art operator “Năsui collection & gallery” to take part in the project. Rață’s work was subsequently selected by a group of international curators from a list of 320 artists worldwide.
